THE B1G1 TEAM

The B1G1 team has been quite lean for the last 14 years. And during that time, our core team based in Singapore served all our members across the globe.

From 2022, we're looking to significantly grow and develop our team to achieve some exciting big goals.

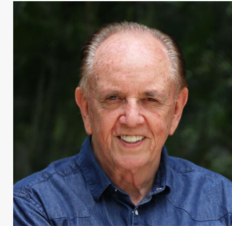

While we have an office in Singapore, we consider ourselves global as we have a number of team members located around the world and this is growing.

Recently, we have appointed new Board of Directors and are also fortunate to have many gifted Advisors who volunteer their expertise to help B1G1 grow.
